TO BRICK AND TILE MAKERS

THE AINSLIE BRICK AND TILE MACHINE COMPANY (James Ainslie, Esq., of Dennistown, chairman), invite attention to their IMPROVED BRICK AND TILE MACHINES, which are now working at the works of the London and North Western Railway, at the following stations:—**STATION, 131, Piccadilly, 10 A.M. to 5 P.M.** Mr. Robert Scriver, who has been appointed manager in the room of Mr. John Ainslie, will show the machines at the works at Alington, which is within a mile of the railway station, of the London and North Western Railway, and of the railway station of the Great Western Railway; also at the Polytechnic Institution, Regent-street, London. All communications to be addressed to Mr. WILLIAM GORDON, Secretary, at the office of the Company, 131, Piccadilly, London, W., March 1.

These machines may also be seen at Mr. SLIGHT'S, Leith Walk, Edinburgh; Mr. LAWRENCE HILL, Ltd., Buchanan-street Glasgow; Mr. ROBERT CHARLES, Mill-hill, Leeds; and Messrs. DRUMMOND and SON, Dublin.

CHEAP PAN FOR WATERCLOSETS

Information may be obtained as to all Works which have been executed by the Company since its establishment in 1908, which will prove that the failure of many Works reproduced to have been done with the genuine material, has resulted from the substitution of spurious one.

I. PARKELL, Secretary.
